

Adelaide Brighton Cement Ltd

Birkenhead

community news

In this issue we introduce you to our new online resource, the Birkenhead Community website.

Adelaide Brighton Cement is committed to continuously improving the way we communicate and engage with you, our local community.

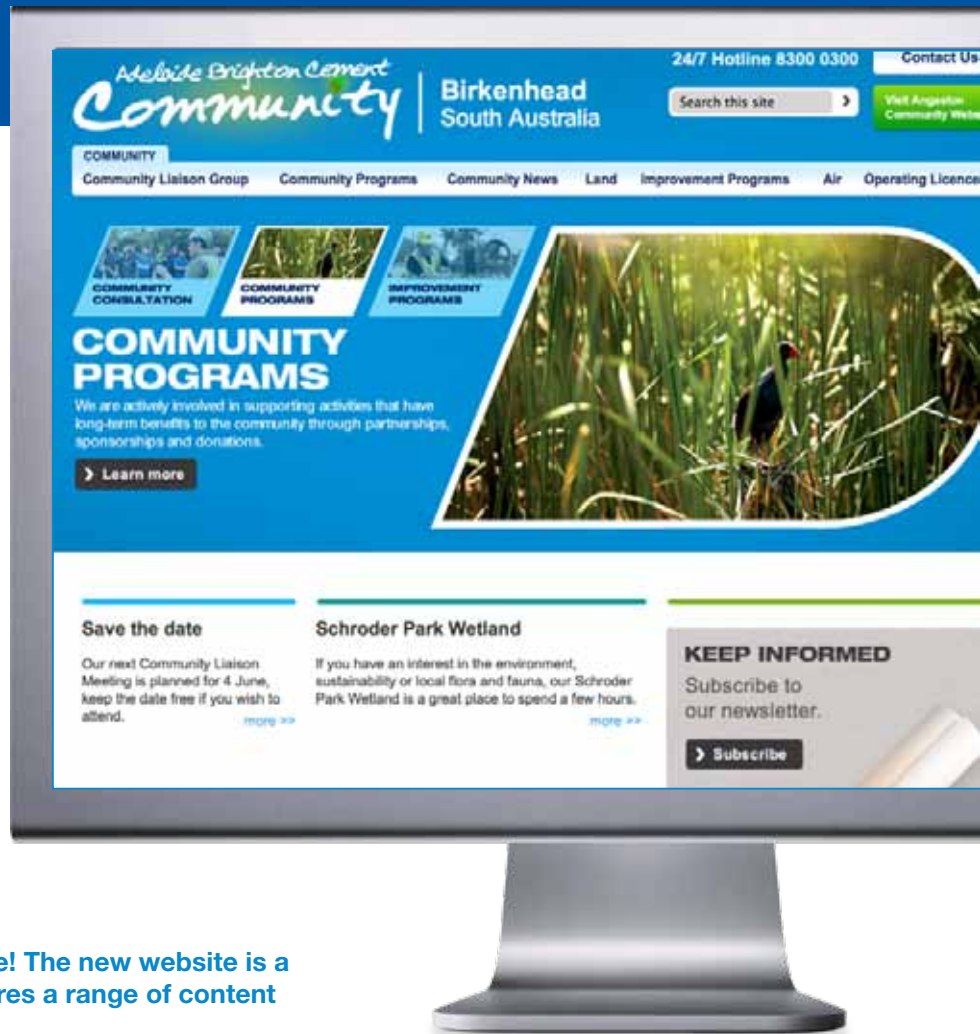

Our new Birkenhead Community website provides you with information about improvements at the Birkenhead Plant, our local community programs and the different ways you can provide feedback.

Be sure to get online and check it out.

Get involved

Our Birkenhead Community Website is live! The new website is a comprehensive online resource that features a range of content relevant to you, our community members.

The website is the best source of information regarding our Community Liaison Group (CLG) initiatives. The CLG is an inclusive and effective way to identify, discuss and resolve potential issues relating to our Birkenhead Plant and is an opportunity for you to have your questions answered directly. Visit our homepage to find out when the next CLG meeting is being held and have your say.

Improving Birkenhead

The Birkenhead Community website is your best source of information regarding our environmental improvement initiatives.

If you navigate the website you will find information on:

- Our 4-year Environmental Improvement Plan
- The Water Efficiency Team
- The use of alternative fuels and raw materials
- Dust reduction activities
- Noise monitoring and mitigation activities
- The truck wash

Get in touch with nature

Interested in your local flora and fauna? Why not check out the Schroder Park Wetland page on our new website and book a tour?

Log on to our website to learn more about your native wildlife.

Seeking sponsorship?

If you're a member of a local organisation and are looking for sponsorship, get in touch with us. Our website lists a range of organisations we currently support and our sponsorship guidelines.

The serious stuff

If you are looking for more information about our Operating Licence, dust monitoring program and dust control measures, you'll also find this on the Birkenhead Community website. If you have any questions, you can get in contact with us via the website or on the numbers listed to the right.
