To receive SMS or email alerts about matters which may impact the community, please email us at birkenheadcommunity@adbri.com.au or call 8300 0520. Please provide your name and preferred contact method (mobile and/or email address).

You can also subscribe to email updates about general news at the Adbri facility, via adelaidebrightoncommunity.com.au/news-resources/subscribe-to-updates.

Scheduled Annual Shutdown 2025

Each year we shut operations at our Birkenhead facility to undertake scheduled maintenance and upgrades to improve our environmental and operational performance.

The Shutdown this year is scheduled for 9 January to 3 February, 2025. The Shutdown will include work to improve dust management, in line with our approved Environment Improvement Programme.

This major investment in improvements will bring up to 500 contractors to Birkenhead across the duration of the shutdown, who will be spending money in the local community on accommodation, restaurants, groceries, recreation etc.

Detailed planning has been undertaken to keep noise in the local area to a minimum including a noise barrier as well as a noise curfew between 10pm and 7am.

Community Hotline

For further information about the Shutdown, or to provide feedback, please contact our community hotline on **8300 0520** or email **birkenheadcommunity@adbri.com.au**
